SWEET-O-METER

CMI ORCHARDS (509) 663-1955 www.cmiorchards.com

Super Sweet & Juicy.

Quite possibly the sweetest apples you'll ever taste. Incredibly juicy and crisp.

Sweet & Juicy

Dense white flesh that is low in acid, crisp and sweet. A fan favorite.

Incredibly Crisp & Sweet

Sweet, firm white flesh that is slow to brown when cut. Perfect for snacking and desserts.

Sweet as Honey

Crisp and juicy with a unique honey-like flavor. America's newest favorite apple.

Sweet and Mild

Creamy white flesh with low acidity. Mild and pleasant with a perfect sugary sweet balance.

Crisp & Juicy

Mild flavor with slight acidity and pleasant aroma. Firm texture and crunch.

Sweet & Refreshing

Pretty all-over blushed appearance and incredibly unique flavor.

Mild and Balanced

Sweet, crunchy with a hint of acid to balance its flavor. A wonderful cooking apple.

Dark Red and Mild

A dense, mild apple with a very distinct shape and crunch.

Sweet, Tart & Aromatic

Refreshing, sweet flesh with exceptional crunch and juice.

Intense Flavor

Extreme juice and crunch with a flavor punch. One of Europe's favorite apples.

Tangy and Crisp

A dense, high acid apple that's juicy and crisp. Perfect for pairing with savory dishes.

Tangy Effervescence

Sweetly tart with an intense crunchy, fresh flavor and zing. A firm texture with tang.

Dense, Tangy & Sweet

Firm flesh with a balanced sweet/tart bite and pretty pink-blushed appearance.

Tart, Acidic and Subtly Sweet

Firm and juicy with a thick skin and amazing tartness perfect for fresh apple pie.
